

The heavyweight.

## CONSOLIDATED TO FEBRUARY 20, 2009

The spring edition of *Canadian Income Tax Act with Regulations, Annotated* has been updated and expanded to be your best-in-class resource for 2009.

To successfully fight your way through Canada's increasingly complex tax laws, you need more than one point of view. CCH Canadian puts the best minds from Canada's leading firms in your corner – a champion editorial board that gives you the benefit of a wealth of knowledge and experience.

This new edition includes in-depth commentary, expansive editorial notes, and provides cross-references to all the sources of information you need to make knock-out decisions, every time.

**Act. With Authority.**  
Order your copy today.

Packed with up-to-date content and legislative changes, the 87th edition encompasses all the latest developments that will be essential to your practice, including:

- Bill C-10 *Budget Implementation Act, 2009*, which includes many of the 2009 Budget Proposals including:
  - Changes to the basic personal, spousal, and eligible dependent person amounts, age credit amount, and personal tax brackets
  - Increase in the small business limit, which affects many provisions including the small business credit, the enhanced investment tax credit, the refundable investment tax credit, and instalment payments
  - Changes regarding losses realized in an RRSP or RRIF after death of annuitant
  - Increase in amount of withdrawal for Home Buyers' Plan
  - Changes regarding deeming rules on acquisition of control of corporation

# It's how professionals stay on their toes.

- Also includes Budget proposals not in Bill C-10:
  - The reduction in the mandatory withdrawal from RRIFs for 2008
  - Major revisions to the functional currency rules
  - Changes to the Tax-Free Savings Accounts (TFSA) rules
  - Changes to SIFT rules
  - Enhanced carryforward of investment tax credits
  - Home Renovation Tax Credit
  - First-Time Home Buyer's Tax Credit
- Includes draft regulations affecting such things as:
  - Information returns for Tax-Free Savings Accounts (TFSA)
  - Qualified investments for trusts governed by registered plans, including RRSPs and TFSAs
  - Eligible medical expenses
  - Foreign affiliates
  - Insurance policy reserves
  - Pensions
  - Securities held by financial institutions
